

Natural Church Development Survey

Facilitator's Form

Please read carefully!

1. This form is to be completed by the pastor in addition to one of the green questionnaires.
2. If your church does not have a pastor, a member of the church leadership should complete this form. (In this case, some questions will not be relevant and should be left blank.)
3. If your church has several pastors, only the Senior Pastor will complete this form. If your church has no Senior Pastor, randomly select one of the pastors to complete this form.
4. Most of the questions on this form are mandatory because they provide basic contact and demographic information. It will not be possible to process your NCD Survey without this information.
5. Keep a copy of this form for your records as it will be a helpful reference when completing your next NCD Survey.
